

Overview

TrueFlix from Scholastic allows youths to graduate from “learning to read” to “reading to learn” by helping them hone literacy skills, build knowledge of subject-area content, and develop research skill to plan, manage, and complete projects and assignments. Each True Book title is supported by related content and primary sources featuring videos, audio, images and text. Unique features include:

- Ability to browse videos and eBooks by category or by featured title.
- Watch a streaming video introducing a topic and read the related eBook.
- Read Along Option, which allows you to follow along as the eBook is read aloud.

Details

Browsing

- On the *TrueFlix* home page there is a People, Places and History section and a Science and Nature section. You can choose your desired category from either section.
- Also on the home page are the featured *TrueFlix* titles located in the center of the screen. Use your pointer and hover over the images at the bottom to see a larger view. Click on **left** and **right** arrows to rotate through the featured titles from which you can choose.

Watch a video and read an eBook

- From the category browse or feature browse, click the image of your desired topics.
- You will be taken to the **Start** page of your chosen topic.
- From the menu on the left click **Watch the Video** or click the **triangular** button in the image below the **Watch It** label.
 - Use the video control panel to play/pause, stop, navigate, increase/decrease the volume, and enlarge the video screen.
- To view the eBook, from the menu on the left click **Read the Book** or click the **Open** link below the **Read It** label.
 - Use the **arrows** on the lower left and lower right of the flipbook pages to turn the pages backward or forward.
 - Use **Table of Contents** (pages 4 and 5), or the Table of Contents **button** at the top edge of the flipbook to jump directly to each of the flipbook's chapters and related features.
- To return to the *TrueFlix* Home screen, click the **Home** link on the upper left of the screen.

Read Along Option and Vocabulary Features

- For eBooks – click on the **Read Along option** at the upper right edge of a flipbook to turn in on. You will hear the text read aloud with word-by-word highlighting.
- Placing your cursor on a **highlighted word** will display its definition.
 - Key content vocabulary words are **highlighted in orange** and summarized on page 46 of the flipbook.

Additional Features You Might Like

- Project goals, ideas or questions accompany each topic to jump start research.
 - On a topic **Start** page, click the **Project Idea** link from the menu on the left
- Take quizzes and play a **Word Match** game based on the important words included in each title. Educators can use quizzes to gauge a student's understanding of the content.
 - On a topic **Start** page, click the **Activity Center** link from the menu on the left.
- Related Internet Links further extend learning, broaden the content area of the topic and provoke further research.
 - On a topic **Start** page, click the **Explore the Web** link from the menu on the left.
- Resources for Educators can be found from every page by clicking the **Resources & Tools** link on the upper right of the page.
